

Event at COP23, Bonn 2017

# “Human migration in an era of climate change”

17 November 2017, 13:30 – 15:00

Location: German Pavilion, Bonn Zone

This session will provide insights on how cross border migration before and after climate change events contribute to adaptation. The panelists will discuss recommendations to the Warsaw Mechanism on Loss and Damage on finding solutions to tackle migration, mobility, and displacement in an era of climate change.

Moderator: Sabine Minninger, Brot für die Welt

## Speakers:

- Benjamin Schraven and Denise Margaret Matias, German Development Institute / Deutsches Institut für Entwicklungspolitik (DIE)
- Sophia Wirsching, Brot für die Welt
- Sanjay Vashit, CAN South Asia
- Maina Talia, Tuvalu CAN
