

Science-Policy Dialogue during the 60th sessions of the UNFCCC Subsidiary Bodies

## **Promoting Climate Action around the World: Insights from Policy-Relevant Research**

IDOS, Bonn

Friday, 7 June 2024, 18:00-19:00 pm CET

The goal of this Science Policy Dialogue is to discuss insights from the latest policy-relevant research on climate action.

We invite you to join us to reflect on the lessons learnt and how we can put them into practice in the context of the UNFCCC negotiations and beyond.

The event will take place at the German Institute of Development and Sustainability (IDOS), Tulpenfeld 6 (**only 5min from the UNFCCC negotiations**).

### **Programme**

#### **18:00 Welcome and Input**

- Actual and Perceived Support for Climate Action from Around the World: Lessons for Climate Policy  
([Teodora Boneva](#), University of Bonn)
- The Support for Carbon Pricing: Potential of Revenue Recycling to Promote Climate Action  
([Daniele Malerba](#); IDOS)
- Making Use of Trade Policy to Promote Climate Action  
([Clara Brandi](#), IDOS/University of Bonn)
- Status of Climate Action Worldwide - Requirements for 2035 National Climate Targets  
([Niklas Höhne](#), NewClimate Institute/ Groningen University)

#### **19:00 Informal Exchange and Drinks**
